## Two-Year Old Child Drown In Canal At Lakeshore

Stephen J. Debenport, two-year-old son of Mr. and Mrs. Charles J. Debenport of Lakeshore, was reported drowned Wednesday afternoon, April 22, in a canal at Lakeshore.

According to Sheriff Sylvan J. Ladner, the mother, a five-year-old daughter, a four-year-old son and a three-year-old son and daughter were fishing from a bank of the canal. About 12:30 the mother missed the child and at first thought he had returned to the house when he was not found, after a search of the home and nearby woods and he was not found. The sheriff's office was notified. Sheriff Ladner and Deputy Carl Garcia, who arrived on the scene around 2:30 assisted in a search of the wooded area.

A drag line of fish hooks attached to a length of pipe was made and used from a skiff to drag the canal for the body. The body was caught on the line in approximately seven feet of water at 4:20 p. m. by the Sheriff and Wilford Bortage.

Others who assisted in searching for the boy were R. J. Ladner, Herbert Peterson, William Kenny, Kenneth Whitfield, Lloyd Ladner and Raoul Telhiard. A corner jury with Emile Piazza, coroner and Carl Garcia ballist, returned a verdict of death by drowning.

Survivors other than the boy's parents are two sisters, Mary and Ann Debenport, three brothers, Jeff, Walter and Jerry Debenport and a half-brother, Patrick Edward.

Mr. Debenport, who is employed at Harry's Hardware Company in New Orleans, and his family moved to Lakeshore about a month ago.

The body was removed to Fahey Funeral Home where services were held Thursday morning at 8:45 followed by religious rites at Our Lady of the Gulf Catholic Church. Interment was in Lakeshore Cemetery.

## HANCOCK COUNTY CANCER CRUSADE IS IN FULL SWING

Hancock County's 1958 Cancer Crusade launched into full swing this week following several weeks delay during which the crusade has been conducted inactively.

Mrs. Lewis M. Wagner, crusade chairman, reported that contributions are coming slowly but steadily from all parts of the county. She noted that it is inevitable that the drive be extended because of the slowness in beginning solicitations.

"We want every person possible in Hancock County to examine closely the brief pamphlet which we are distributing," Mrs. Wagner said. "This little leaflet, in few words, describes the seven danger signals of cancer. It has been proved that some forms of cancer, if discovered in early stages of development, definitely can be cured. The tragedy lies in allowing curable cancer forms to become so widespread through ignorance of symptoms until it is too late to receive proper medical care."

Mrs. George Stelz, prominent for a number of years in assisting in the crusade, has accepted the chairmanship in Waveland. A small goal of \$1100 has been assigned to Hancock County but Crusaders have high hopes of topping the quota.

Volunteers are needed and are asked to contact Mrs. Gordon Romanoff, Bay St. Louis; Mrs. Stelz, Waveland; Mrs. Reginald Moran, Lakeshore-Clermont Harbor; Mrs. Lamar Otis, Logtown, or Mrs. Wagner.

## James Necaise For Supervisor Beat Four

We are authorized to announce the candidacy of James Necaise for the office of Supervisor, Beat Four, Hancock County, in the August Democratic Primary. Mr. Necaise's statement follows:

TO THE VOTERS AND RESIDENTS OF BEAT NO. 4,  
HANCOCK COUNTY, MISS.

Please accept this as my official announcement of my candidacy for the office of Supervisor of Beat 4.

I am 46 years old, married to the former Melva Seal, we have two sons, namely: Douglas, 11 and Herman Ray 13.

I have been in the farm and dairy business for the past eighteen years. Since January 3rd, 1956 I have also been serving as Chief Deputy Sheriff of Hancock County.

I made the decision to run for the office of Board of Supervisor after having been solicited by and on the advice of my friends.

During the past eleven years our beat under the leadership of our present board member, has been hopelessly digging itself into a rut of high taxation and increased bond indebtedness with a net result of nothing on the side of progress or improvements.

If after eleven years of effort, there has been little or no progress in proportion to the amount of expenditures and indebted and high rate of taxation, certainly we should realize the necessity for a change.

I am well aware of the duties and responsibilities of the office of Board of Supervisor. Your Supervisor is responsible for the maintenance of your roads and bridges. He is the one that spends your tax dollars.

If I am elected as your Supervisor I will give an Honest, Capable and Efficient administration, getting for our beat a dollar value for every dollar spent. We must black-top our main roads and gravel others. We must repair and rebuild our bridges. I firmly believe that this can be accomplished with the present amount of money that is allotted to our beat.

I will personally supervise all work on roads and bridges in our beat and give it my undivided attention.

I solicit the vote and influence of every lady and gentleman and I hope to get around to see each and everyone personally.

Cordially,  
JAMES NECAISE  
Candidate for Board of Supervisor,  
Beat Four, Hancock County, Mississippi.

# WAVELAND WANDERINGS

BY

GEORGETTE B. HALL

The Methodist Churches of Waveland, Clermont Harbor and

Washington have expressed their appreciation through this column to everyone who gave his time and his efforts toward making Saturday night's supper the success it was. The recreation rooms of the Clermont Harbor Church were crowded with diners from serving time which began at 8:00 p. m. until after 9:00 p. m. when the last few diners were served. The food was delicious and a feeling of good fellowship prevailed. The financial goal was reached and very shortly now there will be a paragon for the minister whose present charge is the three churches. Special thanks go to the Reverend Kermit Rouse and the chairman of the dinner, Mr. G. Moreau, who worked so faithfully. Due to the weather and other circumstances many who brought tickets were not able to attend. Their donations indeed helped this worthy cause.

Master Sergeant and Mrs. W. Cobb and their children spent the weekend with Mr. and Mrs. Ducre Bourgeois and family.

Mr. Ducre Bourgeois, Sr. and Mrs. A. R. Jenkins attended the christening on Sunday of the new infant daughter of Mr. and Mrs. George Thorne, Jr. of Algiers, La. The baby was given the name Barbara Ann Thorne. Mrs. Patricia Olson and Mr. "Chuck" Langley were sponsors. The Thornes have two sons in addition to their baby daughter. Congratulations to parents and grandparents.

Mr. and Mrs. Fred Stromeyer will open their Doughtnut Shop in a new location on Coleman Ave. very shortly. Watch for the date.

Mrs. Vicky Burrow has opened a Beauty Shop in the Millers Building on Coleman Avenue. The new business is in the small office. This column welcomes the new enterprise and extends best wishes for success.

The Bay St. Louis Chapter 129 of the Eastern Star entertained a group of veterans from Gulfport Hospital during the week. The meeting was held in the recreation rooms of the Methodist Church of Bay St. Louis. The Eastern Star ladies were hostesses and helped to make the afternoon pleasant for the visitors. There are not many people in Waveland and Bay St. Louis who do not know Frank Lyons. For

years he has been employed by the Waveland Post Office to meet the trains and deliver the mail. He has delivered special letters and packages to most of us during the year. He has been a loyal employee and a good citizen. The death of his wife, Rose Lyons, last week came as a shock and the community extends sympathy to Frank and to all of their relatives and friends.

Belated birthday wishes are extended to the following small fry, Colleen McCaleb, daughter of Mr. and Mrs. J. T. McCaleb, Jr., Pat Ryan, son of Mr. and Mrs. James Ryan, Dennis Raymond, son of Mr. and Mrs. Lucien Raymond. We do hope the young people had a wonderful time.

Mrs. Lawrence Jacobi is a patient at Memorial Hospital in Gulfport undergoing a series of tests. We hope her condition will be found not serious.

Congratulations to Mr. and Mrs. Kent Seller on the occasion of their 1st wedding anniversary.

Last week's picture was that of Mrs. James Ryan of Union Street. First to make positive identification was Miss Gaylyn Asher.

Here is a young lady well known by most of us. Although not born in Bay St. Louis, she came here as a very small child and has been a resident ever since. She is a graduate of Bay H. School, was employed as a secretary before her marriage and now has a family of her own, boasting of three lovely children. She is a very active member of the Auxiliary and her zeal extends to various other Parish Organizations. If you can identify her, please call Mrs. Ivan Bradford, president, at HO-7-4328.

writes that he has been too busy to do any kinds of sports. Too busy fixing up for the family who arrived over there recently.

LSU captured the sailing regatta held at Pass Christian, Sunday. Fred DeMetz clinched first place in the Southern Intercollegiate Sailing Association's annual regatta. He sailed home in Saturday's to place third.

The picture above shows Perre Quintini and the nice bunch of Green trout he caught last week end. Perre loves fly fishing and usually gets his share.

After a delightful week at Destin, Florida, Mrs. Lucille Weeks and Miss Frances Noesger returned home. Deep sea fishing proved most enjoyable, as well as profitable for these ardent fishermen. Had some nice catches of red snappers and other game fish, each and every day.

Glad to see that Pete Caruso has been playing a little golf now and then.

Junior Trayant, Billy Scarborough, Buddy Pitalo and Teddy Maza, Jr. had a good round of golf Sunday.

Ray Hoffman was over Sunday, from New Orleans. He didn't have time for fishing, but got in a couple of games of Shuffle Board.

Howard Duff who is with the U. S. Air Force in Germany,

looks like the rain of the early part of the week will set fresh water fishing back again. It was just getting good.

Some good catches were reported by Alden Mauffray, August Rauret and others just before the rains came.

Due to the high tides at night soft crabbing hasn't been too hot, although the old heads, have been getting their share.

The rain also kept the "girls" off the golf course at Pass Christian Isles Golf Course, Tuesday, their regular playing day.

Quite a few nice speckles are being caught in outside water, according to those going after them.

August Rauret caught a nice bunch Sunday.

Others catching speckles were Eddie Heath, George Janvier and Morris Bourge. They caught over a hundred.

## Unemployment in Mississippi Showed Sharp Decrease in March

Unemployment in Mississippi in March of this year, as reflected by claims of unemployment insurance, showed a sharp decrease of 32% from the March 1958 level and a somewhat higher decrease (8%) from that of March 1957, Marx Huff Executive Director of the Mississippi Employment Security Commission announced today.

Chiefly responsible for the decline was the improvement in weather conditions (as compared with those of March 1958), which permitted work in Construction, Lumber and Agricultural activities.

Approximately one-fifth of the average of 16,402 persons filing claims for weeks of unemployment in March 1959 had become unemployed in other states and returned to their homes in Mississippi to file claims against the states in which they lost their jobs. Such complaints represented a higher percentage of total claimants this March than for March of the two preceding years, the 20% in 1958 comparing with 18% for March 1958 and 14% for March 1957.

The March 1959 unemployment average showed a better-than-usual decrease from February-March 1958 and 1957.

### PASTURE WEED CONTROL

Spring weeds are at their best (or worst) now, so you can go out and see just how badly your pastures are infested with these weeds.

These weeds don't do so much damage as the ones that will come on in the summer. This is because we have more good grazing plants now than we do in the summer.

Spraying with 2-4-D will control most of the weeds that infest your pastures. If possible, spray before cotton comes up. If you must wait until after cotton is up, use extra care. Make sure that you do not spray pastures close to cotton fields. Watch out for the wind drift when you spray.

### ELECTRIC SAFETY

Money has been responsible for many a crime, including robbery, embezzlement and murder.

But who would think that two pennies could become deadly killers?

It happened. Recently in another state, two small children were killed by two innocent looking pennies. They were burned to

## LET'S GO First Class LET'S MAKE IT Gas!

There's nothing on the market to equal GAS for luxurious, flip-of-the-switch, summer-winter air conditioning. One compact unit does the whole job - puts Springtime in your home the year around. It's truly the most dependable system you'll find anywhere... and it's so quiet! Best of all... its first cost is low; its maintenance cost is negligible and its operating cost is much, much less than that of other systems. Take a look at the 3½ or 5-ton systems built by Arkla-Servel, or for summer cooling only, see the gas units to be set up outside the house. Whether you're building or remodeling, go first class... go GAS.

## Reorganization Of Army National Guard Begins May 1

General William F. Wilson, Adjutant General of the State of Mississippi, announced today that the reorganization of the Mississippi Army National Guard will begin on the 1st day of May, 1959, and will be completed in time for the reorganization of the Mississippi Guard into three new field training

The Army National Guard reorganization is in accordance with directives issued by the Department of Defense in Washington and the troop allocation has been received and accepted by the State of Mississippi.

Under the reorganization plan the number of Headquarters, Company of Battery and Detachment units in the Mississippi Army National Guard will be reduced from the current number of 152 to 132 such units. General Wilson pointed out that even though the state will have fewer units than before that all National Guardsmen and all regular National Guard Armories would be utilized in the reorganization. General Wilson stated that this was being accomplished by splitting units, in some instances, between two (2) towns. The current strength of the Mississippi Army National Guard is 10,106 officers and enlisted men.

The famed 31st Infantry (Dixie) Division, which is composed of National Guardsmen from the States of Mississippi and Alabama is scheduled to be reorganized from its present type organization of three (3) Infantry Regiments to the new Pentomic type Division composed of five (5) Battle Groups. The Mississippi Army National Guard will organize the

1st and 2nd Battle Groups which will continue the heritage and honor of this state's 155th Infantry Regiment, one of the nation's oldest and most distinguished military organizations.

In addition to the reorganization of the 31st Division, the non-divisional units of the Mississippi Army National Guard, including the 1st and 2nd Battle Groups, are to be reorganized under the modern concepts of military operations, with the capabilities of accomplishing their assigned missions in the Atomic age.

at a hospital mass at St. Thomas Catholic Church, Long Beach, Saturday morning, April 18.

The bride is the daughter of Mr. and Mrs. Cecil B. Creel, 117 Island View Ave., Long Beach and Mr. Peranich is the son of Mr. and Mrs. Fred J. Peranich, DeLisle.

The Rev. John Shaugnessy, C. M., assistant pastor of the Church, was celebrant of the Mass and officiated at the double ring ceremony.

The altar was adorned with baskets of white gladioli and stock. Preceding the entrance of the wedding party, Mrs. David Porter played traditional music. She accompanied Paul Carrubba who sang "Ave Maria," "Mother at Thy Feet 'I'm Kneeling," "Hold Thou My Hand," and "Dear Lord."

The bride, escorted by her father, wore a wedding gown of candlelight tulle and peau de soie. The fitted bodice was fashioned with long fitted sleeves of peau de soie ending in points over the hands. Covered buttons fastened both the sleeves and the back bodice. The bodice featured a tulle yoke with high, round neckline appliqued with peau de soie leaves forming a dropped-shoulder effect.

After the bride and groom cut the first slice of cake, it was served by Mrs. Harold Glass, aunt of the bride. Presiding at the punch bowl were Mrs. Evelyn Furr and Mrs. John Furr, Jr.

Tea girls were Miss Elaine Creel, Evelyn Creel, Sandra Marie, cousins of the bride and Miss Linda Penrose, cousin, of the groom.

A small bower of long sprays of small white roses and English dogwood and boughs of magnolia formed a background for the table setting.

The hall was decorated with baskets of white gladioli, stock and mums in white wrought-iron stands and baskets of English dogwood.

The table for the bride's register, covered with white taffeta, was presided over by Miss Ann Wilkerson. A white anniversary candle in a white milk glass epergne completed the decorations of the table.

The couple left on a wedding trip to Florida. The bride chose for traveling a brown linen suit with white accessories and the

Appliques were carried out part way down the bouffant, full length skirt which ended in a modified train. Her finger-tip veil of illusion was held in place by a crossfingering scalloped lace and embroidered with seed pearls. She carried a bouquet of white roses centered with a white orchid.

Mary Louise Peranich, sister of the groom, was maid of honor.

Miss Louise Rishel, Long beach and Miss Mary Jo Olsen, Metairie, La., cousin of the bride, were bridesmaids. Miss Karen Creel, sister of the bride, served as junior bridesmaid.

The groom had as his best man his brother, David Peranich, and as groomsmen Edwin Necaise, both of DeLaale, and Bruce Marie, Biloxi, cousin of the bride.

A reception followed the ceremony in St. Thomas auditorium where the couple was assisted in

Upon their return they will be at home at 503 E. Beach, Pass Christian. The bride, a graduate of Long Beach High School is employed by the Harrison County Credit Bureau.
